EDUCATION

Doctor of Pharmacy (Pharm.D), Bhaskar Pharmacy College, JNTU Hyderabad | CGPA: 8.0/10

Intermediate (BiPC) – 78%

SSC – CGPA 7.8

RESEARCH & PUBLICATIONS

- Prospective Study: Serum Biomarker Profiling for Early Detection of Diabetic Neuropathy (IJAR, 2026).
- Review article: Caffeine Treatment for Apnea" – IJOPRA, 2024.
- Research presentation to Clinical Pharmacology Department (2025).

ACADEMIC & CLINICAL EXPERIENCE

- Community health camps and mentoring. Participated in academic and research presentations, clinical case discussions, and scientific communication.
- Exposure to multiple departments, chronic disease monitoring.
- Mentored and guided junior Pharm.D students in clinical skills and research activities.

CERTIFICATIONS

• ICH-GCP E6 (R2)• Introduction to Clinical Research• Drug Safety & Pharmacovigilance• Oncology Pharmacovigilance• Data Analytics
• Power BI• BLS & CPR

ACHIEVEMENTS

• 1st Place – Model Presentation: Congestive Heart Failure.
• Led hospital formulary revision initiative.
• Review article on caffeine treatment for apnea IJOPRA 2024 .
• Research presentation (2025).
• Consistently secured 75%+ across professional years.
• Volunteer – Indian Pharmaceutical Congress (73rd).

KEY STRENGTHS

- Attention to Detail
- Documentation
- Team Coordination
- Clinical & Analytical Thinking
- Communication
- Time Management
- Patient-Centric Approach
