Evaluation Process Of Examination

For the examinations, the institute following the academic calendar given by JNTUH. From the beginning of every semester, academic calendar will be circulated by HOD'S calculate to their respective department faculty. Draft academic calendar from affiliating university is shared accordingly. As an introduction, every one of the divisions would be approached to come out with a provisional planning to be examined in the academic monitoring cell. The academic timetable endorsed by the principal/IQAC would be followed carefully as all the staff individuals are engaged with the planning interaction. The semester academic plan, both hypothesis/pragmatic, text and reference books for that subject are accessible in the handbook and furthermore clarified by the subject educator at the beginning of semester.

The university schedule is shown on the notification board and the equivalent is accessible in the website which gives provisional dates of inward and university exams, public occasions, get-away and so forth circulars are given by the principal to enhance the plan of action. Foundation follows showing plan, assessment timetable and scholastic schedule followed by affiliating university.

College is responsible for circulating the information to staff and students, allotted rooms as examination halls, supplying of printing papers in period of time, production of quality assured examination papers, ensuring availability of a designated responsible academic staff members during examinations.

Exam timings:

Internal, External Examinations for theory and practicals will be arranged and conducted by the examination branch of the college

External examinations are held within the time period three hours in the morning session, three hours in the afternoon session as per the timetable given by the University.

Supplementary examination will be carried out as per the time table given by university.

Examination Assessment happens at two levels: -

1. Internal
2. External

The overall guidelines are distributed in circular of the Institute and changes if any are educated throughby resending circulars. The Institute follows the rules set by the JNTUH and PCI with respect to assessment measure.

The internal and external marks for Pharm. D. is 30 and 70 individually for both theory and practical's. For M. Pharm (PG) and B. Pharm (UG), it is 25 and 75 checks separately for both theory and practical.

In every semester, two internal examinations and one compensatory re-sessional test are led for B. Pharm. For Pharm. D. three internal evaluations are directed and best two of the three will be taken for consideration.

Question papers and answer scripts, chosen records and manuals are very much protected during the examinations. Students can apply for revaluation/recounting for university examination if she/he is not satisfied with the results or if any doubts regarding their marks. They can apply for recounting/revaluation to the affiliating university.

SCHEME OF PRACTICAL EXAMINATION FOR PHARM.D.

Division of Marks	Internal	External
Synopsis	05	15
Major experiment	10	25
Minor experiment	03	15
Record & Viva -voce	02+5	5+10
Total	20	70

Total internal marks 30 out of which 20 is for practical and 5 for regularity, promptness, record maintenance.

The Semester grade point average(SGPA) The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses(Theory/Practical) in a semester with credits C1, C2, C3, C4 and C5 and the student's grade points in these courses are G1, G2, G3, G4 and G5, respectively, and then students' SGPA is equal to:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and ABS grade awarded in that semester. For example, if a learner has a F or ABS grade in course 4, the SGPA shall then be computed as:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 \text{ ZERO} + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

Cumulative Grade Point Average (CGPA) The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

(Answers to be written from here)

Ques: Oxidation = Oxidation is defined as the loss of electrons or gain of hydrogen. It is the conversion of one structural functional group to other functional group. It is very harmful if it occurs in our body. There are six types of Mechanisms involved in Oxidation.

- Direct Electron Transfer
- Hydride Transfer
- Hydrogen Atom Transfer
- Formation of Ester Intermediates
- Displacement Mechanism
- Addition - Elimination Mechanism.
