**Pharmaoptum**

Chilkur Balaji College of Pharmacy was established in the year 2007 under Srinivasa Educational Academy, Chittor. Institution is located in 10 acres lush green campus in serene environment. Programmes offered by the institution are B Pharmacy, M Pharmacy (Pharmaceutics, Pharmaceutical Analysis, Pharmacology), Pharm D.

Vision: Carving the youth as dynamic, competent, valued and knowledgeable professionals who shall lead the nation to a better future

Mission: Providing quality education, student centred teaching learning processes and state of art infrastructure for professional aspirants hailing from both rural and urban areas. Imparting technical education that encourages independent thinking develops strong domain of knowledge, hones contemporary skills and positive attitude towards holistic growth of young minds.

Evolving the institution into a center of academic and research excellence in pharmaceutical education and will be world leader in the field of pharmaceutical sciences and pharmacy practice with the mission of strengthening health care of the country.

# Chairman message

Pharmacy is one of the professional courses under health sciences, that links the health sciences with chemical sciences and it is charged with ensuring the safe and effective use of pharmaceutical drugs. This profession has high demand in Western countries as well as in developing countries. Pharmacists have appreciable employment opportunities in India and abroad. Government of India has well invested in the field of Pharmacy.

More than 20,000 pharmaceutical industries are operational in India employing more than 1.5 million people across. Biotechnological Research has added a dynamic potential to the work of pharmacists.

A Pharmacist can work as Hospital Pharmacist, Retail Pharmacist, Medical representatives, Industrial Pharmacists, Officers in Drug Control administration, Research scientists in R&D, Analytical Research scientist.

# Principal message

In the era of global transformations from the day of conception, Chilkur Balaji College of Pharmacy is a global center for quality education and research in Pharmacy.

We are committed to delivering ultra modern facilities supported by highly qualified, dedicated core teaching faculty to produce next generation Pharmacist. Our Training & Placement Cell is in close liaison with industry and operational for shaping careers of students.

The institution will continue to work towards securing the position of center of excellence in pharmaceutical education and research and will be world leader in the field of pharmaceutical sciences and pharmacy practice with a vision of strengthening the health care of the country

## Patents

**Dr.Chandra Sekhara Rao Baru**

**Professor and Principal**

**Title: Department of Pharmaceutics Treatment of cancer with tetrahedral DNA nano structures (TDN) Method.  
patent number: 202241013676**

**Mr.Anumula RamaRao**

**Associate Professor**

**Department of Pharmacology**

**Dr.Chandra Sekhara Rao Baru**

**Professor and Principal**

**Department of Pharmaceutics**

**Title: Nanoparticulate drug delivery system targeting to estrogen receptor over-expressed cells  
patent number: 20221015220**

**Mr.Durga Srinivasa Rao M, Dr.D.Venkata Narayana, Ms.Davuluri**

**Mamatha, Ms. Shaik Sana, Banavath Heeralal,**

**Ms.Jampani Susmitha, Mrs.**

**Beebireddy Vidhya, Neeraj, Bandari, Dr.Verikala**

**Ramesh, Shaista Tarannum**

**Beebireddy Vidhya - Assistant Professor,**

**Department of Pharmaceutics**

**Title: A chemical composition of Ciprofloxacin floating tablet and method thereof**
