Safety and Security

Our institute has kept safety and security concerns on priority by taking note of the following common college security issues:

24/7 Surveillance:

- Our premises have hi-tech or high-value CCTV equipment on site which protect criminal damage, theft, vandalism, eve-teasing.
- A fire extinguisher is established to extinguish or control small fires, often in emergency situations.

Contact Details:

To ease concern among everyone from teachers and staff to parents, we implement communication systems with the help of keeping the contacts records of students, faculty, and parents/Guardians to ensure that everyone receives the necessary information in the case of an emergency.

Restricted entry after security check

All students and employees of Chilkur Balaji College of Pharmacy are allowed with ID cards only by our security guard itself. The outsider visitors will be allowed with passes. The two wheelers and four wheelers parking area are provided very near to the entry of our college and making pollution free inside the campus allowed by ID card by our security.

Educating Everyone

Students along with faculty and staff are trained on being security conscious. Making everyone alert, including students, to increase the probability that potential threats will be promptly reported. In this training, students are encouraged to speak up if they ever see or hear anything suspicious or concerning.

Mentor-Mentee system

- The Mentor-Mentee system is effectively implemented in the college and a group is allotted to a respective faculty member.
- Mentors are assigned to take care of student's work progress, well-being, and safety.
- Individual counseling sessions are organized to provide the right knowledge of dealing with any socio psychological and study-related issues which proves much beneficial for them.
- Our faculty has also taken a charge of Counseling Parents as well as Students to ease the tensions relating to education or other matters which will impact on academic issues.
