H.No.1.35/173,
Sanjay Gandhi Nagar, Peerancheru
Bandlaguda
Hyderabad - 500086

CAREER OBJECTIVE:

A growth oriented responsible position in an organization capable of utilizing my skills, Leadership qualities and Management experience for mutual growth.

Qualification:

M.Pharmacy	2018	Joginpally College	BR.Pharmacy	86.8%	JNTUH
B.Pharmacy	2016	Joginpally College	BR.Pharmacy	75.1%	JNTUH
Intermediate	2011	Narayana Junior College		75.7%	BIE.
SSC	2009	Dayananda High School		72.1%	State Board

Experience:

- ❖ Presently working as an Associate Professor in Chilkur Balaji College of Pharmacy-Hyd
- ❖ 4.4 Years of Experience as an Assistant Professor in Shadaan College of Pharmacy -Hyd

Academic Projects

1. Done major project on “Stability indicating development and validation for simultaneous estimation of Bromhexine and Cephalexin by RP-HPLC method.
2. Validated RP-HPLC method for simultaneous estimation of Metformin Hydrochloride and Dapagliflozin” in Spectrum Pharma research solution, Hyderabad.
3. Industrial training: manufacturing formulations interacted with Quality control, Quality Assurance and Production in “Esteem Laboratories PVT, Ltd.” Hyderabad

Projects Guided:

- ❖ Validation of RP-HPLC method for simultaneous estimation of aspirin and ethoheptazine citrate in bulk and tablet dosage form.
- ❖ Extraction and Evaluation of Anthelmintic Activity used in *Nyctanthes Arbor-Tristis* Linn and *Momordica Charantia*
- ❖ Extraction and Evaluation of in-vitro Anthelmintic Activity used in *Mentha Spear Mint* and *coriandrum sativum*

Patents:

- ❖ A formulation based on pyridine derivative and preparation methods thereof
- ❖ RP- HPLC method for estimation of Deucravactinib in Pharmaceutical dosage form and used for thereof
- ❖ Application of Sterilization process in hospital with reference to surgical dressing – Filed
- ❖ RP-UPLC method for estimation of Bexagliflozin in pharmaceutical dosage forms and stability thereof

Research Article:

1. Extraction and Evaluation of Anthelmintic Activity used in *Nyctanthes Arbor-Tristis* Linn and *Momordica Charantia* – World Journal of Pharmaceutical Sciences
2. Stability indicating development and validation for simultaneous estimation of Bromhexine and Cephalexin by RP-HPLC method – Asian Journal of pharmaceutical Sciences
3. Validated RP-HPLC method for simultaneous estimation of Metformin Hydrochloride and Dapagliflozin – American Journal of Biological and Pharmaceutical Research

Review Articles:

- 1 Review On “Extraction Of In Vitro Anthelmintic Activity Using *Mentha Spear Mint*”-indo american journal of pharmaceutical science.
- 2 A Review Article on Daprodustat - An Alternative Option For Anemia Associated With Chronic Renal Failure
- 3 The Revolutionary Impact Of Artificial Intelligence On Medication Adherence
- 4 Review article on “Exosomes” – International Journal Of Research And Analytical Review.
- 5 Review On “Extraction Of In Vitro Anthelmintic Activity Using *coriandrum sativum*”- World Journal of Pharmaceutical Sciences

6 A REVIEW ON COVID -19– International Journal Of Pharmaceutical Research And Application.

Subjects Thought:

- ❖ Pharmaceutical Analysis,
- ❖ Modern pharmaceutical analytical techniques
- ❖ Pharmaceutical Microbiology,
- ❖ Pharmaceutical Inorganic chemistry
- ❖ Instrumental methods of Analysis
- ❖ Chemistry of Natural Products
- ❖ English for Research Paper Writing

Instrument Handled:

1. UV Visible Spectrophotometer
2. HPLC
3. FTIR
4. Nepheloturbidometry
5. Digital calorimetry
6. Flame Photometry
7. Fluorimetry
8. Ph Meter
9. Karl-Fischer Titer

Curricular and Co- Curricular Activities Coordinated and Organized

- ❖ Coordinator for Capacity Building Programme by Magic Bus India Foundation – August 2023
- ❖ Organizer for One Day National Seminar on Current Practices in Drug Delivery Technology Quality Assurance and regulatory Affairs in Pharmaceutical Industry - March-2023
- ❖ Organizer for 2nd National Seminar on Artificial Intelligence in Health Care
- ❖ Organizer for one day national seminar on ICH-Q7 Good manufacturing practices in pharmaceutical industry

❖ **Seminars, Webinars, Workshops and Conferences Participated:**

- ❖ Participated in National Seminar on Recent advances in pharmacy, physiotherapy and allied health sciences by chaitanya deemed to be university-hyd
- ❖ Participated in one day national seminar on ICH-Q7 Good manufacturing practices in pharmaceutical industry

- ❖ Participated in 75 ipc at hyderabad
- ❖ 2nd National Seminar on Artificial Intelligence in Health Care – Organize by Chilkur Balaji College of Pharmacy
- ❖ One Day National Seminar on Current Practices in Drug Delivery Technology Quality Assurance and regulatory Affairs in Pharmaceutical Industry - Organize by Chilkur Balaji College of Pharmacy
- ❖ Organizer for one day national seminar on Good manufacturing practices.

- ❖ Participated in Symposium on “ **Simulation of Pharmaceutical manufacturing**” , Co-Hosted by Indian Pharmaceutical Association, Telangana, State Branch, ALTAIR India on 21/09/2022

- ❖ Webinar on Principles of Antimicrobial Therapy – Organized by CliMed Research Solutions India
- ❖ Webinar on Nutrition and Diet before and after Hart Attack - Organized by CliMed Research Solutions India
- ❖ Webinar on Diabetes, Insulin and Stem Cell Therapy- Organized by CliMed Research Solutions India
- ❖ 2nd Medical Writing, Clinical Research and Pharmacovigilance Conference (MCPCON)
- ❖ Webinar on Nutritionism and Weight Loss: How the Industry Revolves Around It - Organized by CliMed Research Solutions India
- ❖ One Day National Seminar on Current Practices in Drug Delivery Technology Quality Assurance and regulatory Affairs in Pharmaceutical Industry – March 2023

- ❖ Participated in First aid awareness training programme by DHANWANTRI CHARITY TRUST-22 dec- 2022

Faculty Development Programme:

- ❖ One Day Workshop on Good Teaching Practices Organized By Indian Pharmacy Graduates' Association (TS), and Pallavi Memorial Trust, Hyderabad – September 2023
- ❖ Faculty Development Program attended in chilkur Balaji college of pharmacy
- ❖ Faculty Development Program by Dr. K Venkat Reddy – April 2023
- ❖ Faculty Development Program by Mr. S. Sai Kumar – April 2023
- ❖ Faculty development program by Mr .rajesh kumar in attended in chilkur Balaji college of pharmacy

Additional Qualifications:

- Participated in **Vikasatarangini** held by VT youth on 30th December, 2012.
- Participated in Essay writing competition held by Metro India, under **SWACHH SOCH-SWACHH BOL**, initiation.
- Participated in **AP State AIDS control** society during the world AIDS day event organized by **APSACS**.
- Participated in **INTERNATIONAL SOCIETY FOR KRISHNA CONSCIOURNESS**, at state level, Bhagavadgita contest.

PERSONALITY TRAITS:

- Self-motivated and Responsible.
- Good communicator, will be able to easily handle clients
- Able to cope under pressure.
- Good communication ability that is needed to handle interactions with peoples in organization strong belief in team work with individual effort.
- Good qualities of Reasoning and Analyzing
- Ability to learn quickly
- Good communication skills
- Good independent/team worker
