Sub:Action taken report,

Dear Sir,

I have noted the suggestions mentioned in your letter about my feedback analysis of theory and practicals for odd semester 20-21.

The following action has been taken by me as a measure to rectify the problem faced by students:

Deficiency in Teaching	Action taken
Non-Adherence to teaching plan	I have taught important topics which are also covered under practical in details and the prescribed number of lectures is very low so as to give justice to the syllabus and also one lecture slot/week allotted to me was occupied by other faculty
Providing of notes	I have given the written notes with clear explanation and with good examples
Conduction of Quiz	I have been conducting quiz and also taking polls during the lecture
Practical demonstration	I have been making the students perform all the experiments and usage of all equipment.

Thanking You,

  
Yours faithfully,

Pratyusha

### Feedback analysis Report and Teachers feedback on curriculum

#### Summary

The structure of course is satisfactory

Credits are appropriately allotted for course

The units are equally divided and justified

Students need to be educated for higher education and employability scenarios

Assignment ,tutorial and flip classes should be fegetularly executed

Placement cell should take some initiatives in this direction .

Faculty should connect the dots between two courses (future and past)
