YOGA DAY-2018

Since its inception in the year 2015, June 21st is celebrated as The International Day of Yoga all over the world. This idea was proposed by our Prime Minister, Mr. Narendra Modi. "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. International Yoga Day was celebrated by CHILKUR BALAJI COLLEGE OF PHARMACY. The students and teachers of our college participated with great enthusiasm. Students demonstrated various asana followed by Omkar chanting. Warm up exercises were taken and all the students performed sitting and standing asana, importance of these were explained simultaneously. The celebration concluded with synchronized recitation of shlokas and speech by our Principal. He encouraged students to practice regular yoga to remain fit and improve concentration.
