2-Day Workshop on GCP Guidelines conducted by Chilkur Balaji College of Pharmacy in collaboration with Clinosol Research Pvt. Ltd. on 7th – 8th Feb 2020.

Good Clinical Practice (GCP) is defined as an international ethical and quality standard for the design, conduct, performance, monitoring, auditing, recording, analyses, and reporting of clinical trials, that provides assurance that the

- Rights, safety and well-being of human research participants are well protected
- Data and reported results are credible and accurate

Learning Objectives of the Workshop:

- To understand principles of GCP, roles and responsibilities of various stakeholder involved in clinical research.
- To understand current ethical and regulatory requirements for conducting clinical research in India
- By acquiring a certificate of GCP the students can give an assurance that the rights, safety and well-being of human participants are well protected and the data from the study results are credible and accurate

ICH-GCP training and certification has also been done to the students as a part of the 2-Day workshop.
