**BREAST FEEDING WEEK -2019**

From 1<sup>st</sup> August to 7<sup>th</sup> August, breast feeding week is celebrated to know the importance of it to new borns. With the saying "Breastfeeding for brain growth, Bottle feeding for body growth" we the Students and faculty conducted awareness seminar and a rally near IKEA Hyderabad for providing necessary information regarding and getting awareness among the people. All mothers should be encouraged to exclusively breast feed their babies until they are six months old. Exclusive breast feeding means that the baby is not given any other food or drink, not even water. They are only given breast milk. It supplies all the necessary nutrients in the proper proportions. It protects against allergies, sickness, and obesity. It protects against diseases like diabetes and cancer. It protects against infections, like ear infections.

NATIONAL GIRL CHILD DAY-2017

The national girl child day is celebrated annually on Jan 24<sup>th</sup>. It was initiated in 2008 by the ministry of women and child development and the govt of India. On this important event staff and students took initiative to step forward and spread public awareness about inequities that girls face in Indian society. Students came up with posters and presentations reflecting the fact about gender based discrimination that girls face in our society and to bring change within our self and also the society.
